Catriona Byres
Welwyn Garden SC

31st March 2017

Dear Catriona,

I am pleased to congratulate Welwyn Garden SC on being awarded swim21 club Essential during the recent Club Development Management Group (CDMG) meeting on 29th March 2017. The Management Group recognised the hard work of all concerned in achieving the ASA's quality mark for clubs.

By gaining swim21 club Essential; your club is now eligible for the following:

- Use of swim21 club Essential logo on club documentation – logo can be found on the portal, within the Resources tab (please ensure correct logos are used on all correspondence)
- Use of Sport England Clubmark logo. All clubs gaining ASA swim21 accreditation automatically receive Clubmark status (www.clubmark.org.uk) – again logo can be found within Resources tab

ASA National Benefits:-

- £100 IoS credit towards courses/CPDs when booked via www.theiosonline.com (12 month duration to use voucher)
- 5% off ASA Awards (quote swim21 club when placing an order)

East Region Benefits:-

- 2 x £315 off a place on a level 2 Coaching Qualification
- Free places on regionally organised Safeguarding workshops
- Free places on regionally organised Time to Listen courses
- Access to funding to pay for mileage for your coaches to travel to attend development opportunities outside the region (from an agreed list)

Enclosed is your swim21 certificate for display at your home pool. Your accreditation lasts for one year and your annual health check is due March 2018.

Please note that the Health check will only involve 5 elements next time it comes round as some of the evidence has been merged into one element. This should alleviate some of the time it takes to complete the health check for you.

Thank you for your commitment to swim21 club accreditation.

Yours sincerely

Ian Cotton
Chair, ASA Club Development Management Group
