Formal AGM closed.

Q&A

Question on the statement on income and expenditure looks incorrect? Cath will check, publish the correct version.

Income from membership up 21 v 20, affiliation fees dropped – Cath’s explanation was accepted.

Do we know what pool fees rises are yet for this year – no notification of any increases yet, With Hatfield we have agreed increases every qtr. There are increases already agreed but this doesn’t take in to account the increases in fuel/heating costs.

Can we increase the lifesaving attendees on Thursday evening? Stuart says he has the capacity to double the numbers. Send out an email to remind members that it is part of their membership and see if we can get more takers.

Jayne asked what the exit strategy is for Peter and Cath standing down, how can we instil interest in parents that may want to take on these roles. Peter suggests looking at the membership list and call or speak to the members parents to see if they could help the club. Parents who take the time to watch the sessions maybe the ones to approach. Some clubs have it written into the agreement that the parent must volunteer within the club. Eden’s father may be a good person to approach.
