Q&A

Stuart Clewlow asked about club Championships results – we previously would print times and records in the past so children could view them, Cath has the club champ records and will pass to Peter.

Promote and increase lifesaving attendees.

James Consdanti – currently we offer Go Cardless – 4 payments, could we spread it over a longer period, over 10 months? May attract more memberships. To be discussed within the committee. Cath pointed out membership renewals are due very soon so needs to be agreed asap, committee will discuss urgently.

Are we predicting a loss for this year – aprox £5000. By adding +20 swimmers we will be at a loss of £1500, Scott is working hard on the new membership's enquiries.

Can we add a banner at Hatfield pool – Scott has sent an email to the pool manager at Hatfield.
